AUTOB2BTRADE INTERNATIONAL EXPORT COMMERCIAL RANGE

DS 7 CROSSBACK – A PRESIDENTIAL LEGACY

- DS 7 Crossback is the proper heir to the original DS 19 as the Presidential car of Mr. Macron
- He personally assisted at the delivery of the DS 7 Crossback for the French ambassador in China and praised the high quality of the car.

EP6FADTxD 1.6T STTd 133kw 250Nm	X	X			
EP6FADTx 1.6T STTd 162kw 300Nm			X	X	X

DS 7 Crossback is only associated with the latest generation of PureTech engines from PSA Group. Its compact displacement of 1.6L helps to reduce its oil consumption but without jeopardizing the driving performances, with 2 different power outputs: 133kW and 162kW. Both versions are combined with an 8-speed automatic gearbox supplied by the specialist Aisin to deliver a driving experience like no one else.

DS 7 CROSSBACK – LEVEL 1 BASTILLE
